The Diary of Queen Maria Carolina of Naples, 1781-1785 Sep 19 2022 This work offers a new portrayal of Queen Maria Carolina of Naples as a woman of power with weaknesses and ambitions, and analyzes the Queen's actions, from her political choices to her alliance and betrayals. A careful examination of the period (1781-1785) covered by the diary shows that the daily life of the Queen and offers key evidence of her political acumen and her personal relationships. Recca cross-analyses unpublished personal documents, which include the integral diary and private correspondence. The book focuses on the political influence that Queen Maria Carolina wielded beside her husband, King Ferdinand IV, and the criticism that has been made by contemporary historians and intellectuals who have often tended to discredit the sovereign for personal rather than political reasons.

The Daily Life of the Queen Jul 05 2021 What goes on as the Queen prepares for her public appearances? How relevant are these appearances to the daily life of ordinary people? Is there still a role for the monarchy as the millennium draws to a close? As the authors ask these questions, the reader will share their exploration of an extraordinary and fascinating life. Never before have outsiders been allowed to spend an entire year in the company of the British monarch. The distinguished painter Michael Noakes and the writer Vivien Noakes were granted access to record both the public and hitherto unknown behind-the-scenes working life of Queen Elizabeth. In this unique book, they take us inside where we can watch her go about her daily business as they record every aspect of her life as the British monarch. The book is filled with human glimpses, with the triumphs as well as the hiccups. It covers the Queen's every engagement and every working responsibility throughout the year, with a commentary on the meaning and significance of each. The illustrations - in watercolour, oils and pencil sketches - evoke the atmosphere and provide the setting. This is a beautiful and magnificent tribute to Her Royal Highness, Queen Elizabeth, one that provides insight into the monarchy as an institution and into the life of the woman who wears the crown.

In Haste with Aloha Aug 18 2022 This ambitious volume assembled by scholar David W. Forbes features a collection of ninety previously unpublished letters, as well as excerpts from two diaries, written between 1881 and 1885 by Hawaiian royal consort Queen Emma Kaleleonālani. In *Haste with Aloha* illuminates the last five years of the Queen's life and makes available an important record of royal social life and customs in nineteenth-century Hawai'i. Much of her earlier correspondence has been published in two books by the late Alfons L. Korn: *The Victorian Visitors: An Account of the Hawaiian Kingdom, 1861-1866* and *News from Molokai: Letters between Peter Kaeo and Queen Emma, 1873-1876*. In her letters, almost all of which were written in English, Queen Emma provides a rare account of ali'i (royal) perspective, endowing modern readers and researchers with insight far beyond the limited available documentation of public speeches or printed statements. Besides the nuances of correspondence between the Queen and her recipients, there is much to be considered and analyzed in her descriptions of ali'i, many of them relatives to Emma, including Bernice Pauahi Bishop and Ruth Ke'elikōlani. With few comparable Hawaiian historical primary resource texts in print, *In Haste with Aloha* is a welcome addition, making accessible a preserved and treasured collection of documents drawn primarily from the Hawai'i State Archives, along with diaries in Bishop Museum Library and Archives. Fully transcribed and with annotation by Forbes, editor of the monumental four-volume Hawaiian National Bibliography and annotator of *Hawaii's Story by Hawaii's Queen Liliuokalani*, this text sheds light on the lives of Hawai'i's ruling class in the decade leading up to climactic political transition.

Diary of a Drag Queen Nov 09 2021 Longlisted for the Polari First Book Prize 2020 Life's a drag... Why not be a queen? 'Stories like the one where you shagged a 79-year-old builder and knocked over his sister's ashes while feeding him a Viagra. Or the time you crashed your car because you were giving a hand job in barely moving traffic and took your eye off the car in front. That's the kind of dinner-party ice-breaker I'm talking about.' Northern, working-class and shagging men three times her age, Crystal writes candidly about her search for 'the one'; sleeping with a VIP in an attempt to become a world famous journalist; getting hired and fired by a well-known fashion magazine; being torn between losing weight and gorging on KFC; and her need for constant sexual satisfaction (and where that takes her). Charting her day-to-day adventures over the course of a year, we encounter tucks, twists and sucks, heinous overspending and endless nights spent sprinting from problem to problem in a full face of make-up. This is a place where the previously unspeakable becomes the commendable - a unique portrayal of the queer experience. (c) 2019, Crystal Rasmussen (P) 2019 Penguin Audio

The Rice Queen Diaries Oct 20 2022 In this moving autobiography, Daniel Gawthrop writes about the politics and pleasures of being a self-identified "rice queen"; a gay man who is attracted to Asians. Navigating through the urban jungles of Western cities like Vancouver and London, as well as the humid streets of Bangkok and Saigon, Daniel explores the multicultural minefields of sexuality and culture as he articulates the manners and contradictions of his desires. The politics of race, and the unspoken rules of gay Asian culture in both Western and Eastern settings, underscore Daniel's personal journey in which he recalls his teen years spent idolizing Bruce Lee and his fixation on an Asian schoolmate whose hazing becomes a sexual spectacle for him. As he enters adulthood, his desires become manifest as he explores the subcultures of Long Yang Clubs (where gay Asians and "their admirers" can meet) before departing for Asia, where his encounters often become transactions, and he learns the hard way that sexual desire has a human and emotional cost. Evoking the themes of Edward Said's Orientalism, *The Rice Queen Diaries* is as much a personal statement about culture and otherness as it is about gay desire. Traversing three continents, these diaries are a personal reckoning, a bold coming to terms with the nuances of sexuality that has relevance for all of us.

To Kill a Queen Apr 21 2020 In this companion book to My Story: Bloody Tower, the protagonist of that book, Tilly, is now grown up with a daughter of her own, named Kitty. It is the 1580s and the monarchy is no more stable than it was during the short reign of Lady Jane Grey! In these uncertain times, Queen Elizabeth's enemies are plotting to kill her and place Mary Queen of Scots on the throne. Kitty's father is working on special projects for the Queen and her brother is mixing with suspicious characters. Kitty's first-person account chronicles the rising tension surrounding her, as Mary's supporters edge closer, and her own rising fear that punishment will be swift and they'll all be thrown into the Tower. Don't miss this thrilling look at life in London during a turbulent time in royal history.

The Teenage Diary of Abbakka Aug 26 2020 Description The Chowtas ruled over Ullal and surrounding areas of coastal Karnataka. Many rulers in this dynasty were women, and at least two carried the name Rani Abbakka. They have gone down in history and folklore as fearsome warriors who fiercely defended their tiny kingdom, and repeatedly defeated the Portuguese. This is the story of Abbakka III. Abbakka grows up knowing she will rule over the kingdom one day—the one that was ruled by her grandmother Abbakka II and her mother Rani Tirumala Devi. Abbakka trains with all her heart in everything a queen needs to know, and never tires of hearing the tales of sea battles that her grandmother waged against the firangis. But Abbakka is also a young girl who loves adventure. She sets out on dangerous missions to track down spies on the seas. She accompanies her mother in a secret plan to outwit the Portuguese as they try to capture the kingdom's precious pepper crop. And then there is the handsome, mysterious boy from Mangalore, who she likes enormously... Steeped in the culture and history of the region, The Teenage Diary of Abbakka is the fictional diary of an unusual girl growing up during an exciting time—a girl who would eventually go to any lengths to protect and defend her kingdom.

The Windsor Diaries Mar 01 2021 The never-before-published diaries of Alatheia Fitzalan Howard—who spent her teenaged years living out World War II in Windsor Great Park with her close friends Princess Margaret and Princess Elizabeth, the future queen of the United Kingdom—provide an extraordinary and intimate look at the British Royal Family. Like so many others in Great Britain, young Alatheia Fitzalan Howard's life was turned upside down by the start of the Second World War. Sent to stay with her grandfather at the historic Cumberland Lodge in Windsor Great Park, Alatheia found the affection she so craved through her close friendship with the two princesses Elizabeth and Margaret, and their parents King George VI and Queen Elizabeth, her neighbors at nearby Windsor Castle. Together, the girls enjoyed parties, cinema evenings, picnics, and more, all recorded in honest and captivating detail in Alatheia's diary, which she kept as a constant source of comfort. Day by day, from ages sixteen to twenty-two, she recorded the intimate details of her life with the Royal Family and the anxieties of wartime Britain. Now, published for the first time, these unique diaries unveil a candid and vivid portrait of the British Royal Family and of Princess Elizabeth in particular, the warm, quiet young girl who was already on her journey to her ultimate destiny: the Crown.
