The Holiday Plan Jan 24 2023 From one of the freshest new voices in clean and wholesome romantic fiction, The Holiday Plan is the perfect escape for fans of Debbie Macomber, Annie Rains, and Debbie Mason. Native New Yorker and author Verona Scott is battling heartbreak, both personally and professionally. Coming off a disastrous split with her ex, she's struggling for inspiration to write her next book. And she's lost without her favorite Aunt Theoni's wisdom and guidance. Hoping for a fresh start and to avoid the holiday completely, she's planned a Valentine's detox: a luxurious trip alone to the historic Courtington Castle hotel, near the adorably quaint town of Camelot Creek, tucked into a picturesque valley in the Adirondacks. But escaping the heart-shaped balloons and red roses isn't as easy as she thought. This won't be the restful retreat she'd imagined. Instead, she's just walked into one of the biggest matchmaking events of the year. Not to mention, the incredibly attractive single dad and dating coach Troy Turner is heading the whole thing up, and he's on a mission to include Verona in the festivities. Troy is in the midst of a professional crisis of his own. After a bit of unfounded bad press, the very last thing he needs is a guest to cast doubt in the minds of his attendees. Will Troy change Verona's mind about the most romantic day of the year? Just when sparks begin to fly, an unexpected visitor checks into the castle, stirring up the past. No matter what, for Verona, Valentine's Day is the day where everything changes. A heartwarming, sweet romance that will whisk you away to a magical winter wonderland, and have you reaching for the hot cocoa and box of chocolates long after the holidays.

The Holiday Treatment Mar 14 2022 By day, Holly Hudson's a story editor for Wifetime Network. By night, she's the writer for the network's very cheesy, very straight holiday romance series—Christmas in Evermore. Holly took the job to accomplish exactly one thing: a gay Christmas movie. She's been shot down before, but things start to look up when Meredith Drake unexpectedly moves into the network's holiday division. On the heels of a brief (but totally hot) fling, Holly and Meredith agree to keep things professional now that they'll be working together. Especially since the network has a strict policy about workplace relationships. Instead, they vow to channel their passion into a pitch for the network's first Christmas movie to feature two female leads. In this contemporary romance, Holly and Meredith work to make the Yuletide gayer while discovering that happy endings aren't only for the movies.
