How to Live Every Day in the End Times Sep 07 2021 Did you know that we are living in the end times? The Bible teaches that Christians, right now, are living in the end times, the last days. The Old Testament saints believed that. Jesus taught the Kingdom of Heaven was at hand. The Apostles taught that we live in the last days. The Church of Jesus Christ has always believed that they live in the end times. Even now, the Church eagerly awaits the final consummation of the ages, when Christ will return with a shout, the voice of the archangel and the trumpet call of God. In that moment we shall be changed from corruptible to incorruptible. But what about right now? In light of the biblical fact that we are living in the end times, how should we live every day? The purpose of this book is to explain how Christians should live each day as if it were their final days while living in the end times. This means that we ought to give particular attention to Bible reading, biblical meditation, church attendance, preaching of the word, missions and prayer. This is not a

Jesus Wins Jan 11 2022 When you hear the words "end times," what do you think of? A worldwide tribulation? Wars and rumors of wars? Earthquakes? The antichrist? The church being taken off the earth while the unrighteous are left behind? While that is exactly what many of us have been taught--what if the Bible has a very different story to tell? Every new "end of the world" prediction causes believers from all walks of life to start asking questions. How much time do we have left on earth? What does the future look like? Are we supposed to make the world better now, or will Jesus take care of that in a future millennium? And most importantly, what did Jesus really have to say about all this? Jesus Wins is the true story of one man's thrilling journey to get clarity about what the Bible really teaches about the future. J. A. Hardgrave spent years with questions that couldn't seem to be answered. Then everything changed. While listening to a sermon, he heard an evangelist say a statement about the end-times that was the opposite of what he had been taught. Suddenly, he knew there was a different view

of prophecy that he had to discover. Prepare to be filled with optimism for the future, have more confidence than ever to fulfill your destiny, and finally understand Bible prophecy for yourself by receiving simple tools that anyone can use. One thing is certain: after reading this book--you will never see the end-times the same.

End-time Prophecies of the Bible May 15 2022 "For the first time in one volume, End-Time Prophecies of the Bible collects all of the passages pertaining to the end times. Arranged topically by their apparent chronology, the prophecies are presented in historic context, inspiring a renewed appreciation for the human and spiritual dramas that unfold throughout the Scriptures."--BOOK JACKET. The Non-Prophet's Guide™ to the End Times Mar 25 2023 I Believe Jesus Will Return... What More Do I Need to Know? Do you tend to avoid studying books of the Bible like Revelation and Ezekiel? Does it feel like words such as rapture and apocalypse fly right over your head? It's common to dismiss these and other topics related to Bible prophecy as irrelevant and...well...too complicated. But God's Word says, "Blessed is the one who reads aloud the words of this prophecy, and blessed are those who hear it and take to heart what is written in it, because the time is near" (Revelation 1:3). Prepare to be blessed in an entertaining and meaningful way! The Non-Prophet's Guide to the End Times combines engaging illustrations with down-to-earth explanations to help you navigate the ins and outs of Bible prophecy. There's no better time to grasp God's plans for the future—and for you—than this very moment.

The End Times Controversy Apr 14 2022 The author of the Left Behind series, teams up with a noted prophecy expert to provide guidelines for interpreting Bible prophecy

in a consistently accurate manner, equipping readers with a concise understanding of what the Bible says about the future.

The End Times Revealed in Revelation May 23 2020 In the Bible, Genesis is the first book, the book of beginning; and Revelation is the last book, the book of closing, like the grand finale of the Bible, although you may not picture it that way. Like most people, I thought Revelation was all about things that were hard to understand. But with the Lord's help, nothing is impossible with Him, and that is what He has done for me. If you ever put a jigsaw puzzle together, you know each piece must be put in its correct place before you have a completed picture, and Revelation is like that. As we go through Revelation, puzzle pieces will be found in its chapters, beginning with seven churches. Then more pieces are found in God's wrath, starting with the seven seals, seven trumpets, seven vials, seven worship celebrations, and seven beatitudes. And each of those sevens will form a completed picture of how the end-times are revealed in Revelation. The thousand-year Millennium is next, with Jesus Christ ruling and reigning on the earth as the King of kings. And after that, Satan and

sin is finished forever, and eternity begins without end! In this study of Revelation, we will see it is an amazing book with a wonderful ending! So why study Revelation? Because in Revelation 1:3, we are told, "Blessed is he that readeth, and they that hear the words of this prophecy, and keep those things which are written therein: for the time is at hand."

Living in the End Times Jul 05 2021 There should no longer be any doubt: global capitalism is fast approaching its terminal crisis. But if the end of capitalism seems to many like the end of the world, how is it possible for Western society to face up to the end times? In a major new analysis of our global situation, Zizek argues that our collective responses to economic Armageddon correspond to the stages of grief: ideological denial, explosions of anger and attempts at bargaining, followed by depression and withdrawal. For this edition, Zizek has written a long afterword that leaves almost no subject untouched, from WikiLeaks to the nature of the Chinese Communist Party.

The End Times Dec 30 2020 The Bible, God's Word, is the most contemporary book in the world. Literally, it is tomorrow's newspaper. God reveals His plan of world history through biblical prophecies. This book focuses on the divine plan of God for the world from the ancient writings of Daniel. Although many of the prophecies are now history, there are still future ones to be fulfilled. The purpose of this book is to give the reader a better understanding of God's timeline and fulfillment of world events. No matter what man attempts to do, God will complete His plan in His time. We are living in the most exciting days as we see these future prophecies beginning to unfold before our very eyes. Knowing this, it is important to know where we stand in relationship to time and eternity.

Revelations Dec 22 2022 A startling exploration of the history of the most controversial book of the Bible, by the bestselling author of Beyond Belief. Through the bestselling books of Elaine Pagels, thousands of readers have come to know and treasure the suppressed biblical texts known as the Gnostic Gospels. As one of the world's foremost religion scholars, she has

been a pioneer in interpreting these books and illuminating their place in the early history of Christianity. Her new book, however, tackles a text that is firmly, dramatically within the New Testament canon: *The Book of Revelation*, the surreal apocalyptic vision of the end of the world . . . or is it? In this startling and timely book, Pagels returns *The Book of Revelation* to its historical origin, written as its author John of Patmos took aim at the Roman Empire after what is now known as "the Jewish War," in 66 CE. Militant Jews in Jerusalem, fired with religious fervor, waged an all-out war against Rome's occupation of Judea and their defeat resulted in the desecration of Jerusalem and its Great Temple. Pagels persuasively interprets *Revelation* as a scathing attack on the decadence of Rome. Soon after, however, a new sect known as "Christians" seized on John's text as a weapon against heresy and infidels of all kinds-Jews, even Christians who dissented from their increasingly rigid doctrines and hierarchies. In a time when global religious violence surges, *Revelations* explores how often those in power throughout history have sought to force "God's enemies" to submit or

be killed. It is sure to appeal to Pagels's committed readers and bring her a whole new audience who want to understand the roots of dissent, violence, and division in the world's religions, and to appreciate the lasting appeal of this extraordinary text.

End Times Feb 24 2023 Newsweek and Bloomberg popular science and investigative journalist Bryan Walsh explores the history of extinction and offers a cutting-edge examination of existential risk, the dangerous mistakes we have yet to pay for, and concrete steps we can take to protect ourselves and future-proof our civilization. What is going to cause our extinction? How can we save ourselves and our future? End Times answers the most important questions facing humankind End Times is a compelling work of skilled reportage that peels back the layers of complexity around the unthinkable-and inevitable-end of humankind. From asteroids and artificial intelligence to volcanic supereruption to nuclear war, 15-year veteran science reporter and TIME editor Bryan Walsh provides a stunning panoramic view of the most catastrophic threats to the human race. In End Times, Walsh examines threats that emerge from nature and those of our own making:

asteroids, supervolcanoes, nuclear war, climate change, disease pandemics, biotechnology, artificial intelligence, and extraterrestrial intelligence. Walsh details the true probability of these world-ending catastrophes, the impact on our lives were they to happen, and the best strategies for saving ourselves, all pulled from his rigorous and deeply thoughtful reporting and research. Walsh goes into the room with the men and women whose job it is to imagine the unimaginable. He includes interviews with those on the front lines of prevention, actively working to head off existential threats in biotechnology labs and government hubs. Guided by Walsh's evocative, page-turning prose, we follow scientific stars like the asteroid hunters at NASA and the disease detectives on the trail of the next killer virus. Walsh explores the danger of apocalypse in all forms. In the end, it will be the depth of our knowledge, the height of our imagination, and our sheer will to survive that will decide the future.

The Truth Behind Left Behind Mar 01 2021 With the unparalleled worldwide success of

the Left Behind series, both fans and critics are curious about the relationship between Bible prophecy and the events depicted in the novels. Responding to recent works that question Left Behind's biblical accuracy, two respected theologians set forth solid, biblical answers in this reader-friendly resource. Beginning with a clear presentation of prophecy interpretation and dispensationalism, the authors examine specific end times events represented in Left Behind and offer historical and biblical support for each event. Story Behind the Book With the incredible success of this series, we believe that it would be beneficial to the body of Christ for someone to publish a book that gives solid, thoughtful, biblical answers to the critics of the Left Behind theology. With the questions that are being raised and will continue to be raised, many may begin to wonder if the Left Behind theology is really biblical. Some of the impact of the series could be undermined. This book would set forth substantive biblical points in favor of the various end times events presented in the series.

Hopeful Message for the Days Ahead from a***

Bestselling Author *The future of this planet has never looked bleaker . . . or brighter. The darkest time in all of history, as well as the most brilliant for the people of God, lies before us. Jesus' own words about the wheat and the weeds warn us of this: "Let both grow together until the harvest." In a hopeful, inspiring call to action, bestselling author and pastor Don Finto challenges believers the world over to become radical, God-empowering, miracle-working, people-rescuing followers of Jesus as the final harvest nears. Delving into Scripture, he shows how we can prepare for the exciting possibilities of the days ahead, including how to press into the light, shine more brightly in the deepening darkness, protect ourselves during the ultimate Passover, watch for the signs of Jesus' return, wrestle for victory, and more! Evil may be on the rise. But even greater is God's army--and our best days lie ahead.*

The End Times, Again? Jun 23 2020 From the Middle Eastern politics of Donald Trump to the UK's 2016 EU Referendum, large numbers of Christians are making decisions based on the alleged "end-times" aspects of modern politics. Such apocalyptic views often operate beneath "the radar" of much Christian thought and expression. In this book, historian Martyn Whittock argues that while the New Testament does indeed teach the second coming of Christ, complications occur when Christians seek to confidently

identify contemporary events as fulfilments of prophecy. Such believers are usually unaware that they stand in a long line of such well-intended but failed predictions. In this book, Whittock explores the history of end-times speculations over two thousand years, revealing how these often reflect the ideologies and outlooks of contemporary society in their application of Scripture. When Christians ignore such past mistakes, they are in danger of repeating them. Jesus, Whittock argues, taught a different way.

Understanding End Times Prophecy Dec 10 2021 Many Christians think of end times prophecy as a gigantic, intimidating puzzle -- difficult to piece together and impossible to figure out. But every puzzle can be solved if you approach it the right way. Paul Benware compares prophecy to a picture puzzle. Putting the edge pieces together first builds the 'framework' that makes it easier to fit the other pieces in their place. According to Benware, the framework for eschatology is the biblical covenants. He begins his comprehensive survey by explaining the major covenants. Then he discusses several different interpretations of end times prophecy. Benware digs into the details of the

Rapture, the Great Tribulation, the judgements and resurrections, and the millennial kingdom. But he also adds a unique, personal element to the study, answering questions as: -Why study bible prophecy? -What difference does it make if I'm premillennial or amillennial? If what the Bible says about the future puzzles you, Understanding End Times Prophecy will help you put together the pieces and see the big picture.

What is Reformed Theology? Aug 06 2021 What Do the Five Points of Calvinism Really Mean? Many have heard of Reformed theology, but may not be certain what it is. Some references to it have been positive, some negative. It appears to be important, and they'd like to know more about it. But they want a full, understandable explanation, not a simplistic one. What Is Reformed Theology? is an accessible introduction to beliefs that have been immensely influential in the evangelical church. In this insightful book, R. C. Sproul walks readers through the foundations of the Reformed doctrine and explains how the Reformed belief is centered on God, based on God's Word, and committed

to faith in Jesus Christ. Sproul explains the five points of Reformed theology and makes plain the reality of God's amazing grace.

How Should We Then Live? Oct 08 2021 This work differs from previous treatments of End Times Issues in the following ways. I present an analysis of the Greek New Testament scripture to explain why the Rapture, Tribulation, and Second Coming are not imminent, which is consistent with the fact that these events have not occurred in the past 2000 years. I argue that the Scriptural descriptions of the destruction of the earth in the End Times is not consistent with the capabilities of nuclear weapons and that a different scenario is required to explain the scriptural description of 2 Peter 3 - the destruction of the earth by intense heat and burning and also the death of one-third of the people that inhabit the earth. I then suggest a scenario that is capable of causing the destruction of the earth and is caused by God not mankind, which is consistent with scripture. I present arguments that the scriptural conditions that must be met (occur) before the Rapture and Second Coming can occur are not likely to occur soon. I

see no possibility of a ten-kings empire in Europe. If the entire ex-Roman Empire is considered, then it could be. I suggest that the ten nations are those of the old Roman Empire that are not in Europe - the ten that are closer to Israel and are all primarily Arab/Islamic. I give a scientific explanation of the 'streets of transparent gold' described in Revelation. I discuss scriptures individually that relate to The End Times.

Spiritual Warfare in the End Times Jun 16 2022 Understand the Battle Before You Enter It When you think about the end times, you've probably already considered the rapture, the tribulation, and the Antichrist. The End Times in Chronological Order May 03 2021 Bible prophecy expert Ron Rhodes offers an easy-to-understand yet detailed chronology and explanation of end-times events. The chapters are arranged around the major end-times themes: the rapture, the tribulation, the millennial kingdom, and the eternal state. Each chapter begins with a

list of the specific events it covers, making this an extremely user-friendly chronological guide to end-times biblical prophecy. Rhodes allows for various interpretations among Christians. Yet the sequence he describes is faithful to the biblical text, based on a literal approach to prophecy, and held by many Bible scholars. As readers discover that they really can understand Bible prophecy, they will come to love and trust the Scriptures like never before.

New Babylon Rising Feb 12 2022 What New Babylon Reveals to Us About the End Times What will the world look like in the last days? One significant clue the Bible offers is a fascinating look at New Babylon. More than one-tenth of the book of Revelation is devoted to prophecies about this city—the center of the antichrist's world government. But are we to understand these prophecies symbolically or literally? In New Babylon Rising, trusted prophecy expert Ron Rhodes offers insight into what God's Word tells us about the worldwide influence of New Babylon in the end times. Take a look at what prophetic Scripture says and discover the rampant paganism and evil that will mark this infamous city learn about the

convergence and fulfillment of many ancient prophecies about the tribulation and second coming of Christ apprehend that God not only sees the future, but has determined how it will unfold As you explore the Bible's prophecies about the last days, you'll discover that no matter how uncertain the future looks, you can have peace knowing that God is in full control of all things.

An Outline of the End Times Jan 31 2021 An Outline of the End Times is written by a layperson for laypeople. In an attempt to be comprehensive yet concise and thorough, PT Nicholson explores prophetic scripture in relation to the end times. He weighs up counterarguments of key issues that divide Christians regarding the tribulation and the millennium and carefully synthesizes an outline of events without overlooking difficulties. Combined with exhaustive scripture references, he uses charts, tables, maps, sketches, and graphs to explain issues and analyse topics as succinctly as possible. About 25 percent of the Bible is prophecy and, according to a well-known and respected scholar on Bible prophecy, John Walvoord, five hundred of one thousand prophetic events remain unfulfilled. Yet many Christians have only a

vague notion of how end-time events will unfold due to inadequate teaching and a shortage of comprehensively researched books on the subject. An Outline of the End Times serves as a reference resource to help meet this need.

The Book of Signs Mar 13 2022 From one of the world's most beloved Bible teachers comes a timely, compelling, and comprehensive biblical interpretation of Bible prophecy, the end times, and the apocalypse viewed through the lens of current world events. Many Christians struggle to understand the Book of Revelation. "The end times." "The apocalypse." "The day of judgment." These terms are both fascinating and frightening – but what do they really mean? Drawing from decades of study, Dr. Jeremiah explains every key sign of the approaching apocalypse and what it means for you, including international, cultural, heavenly, tribulation, and end signs. With his engaging writing style and clear analysis of how current world events were foretold in the Bible, The Book of Signs is an encouraging guide to the Book of Revelation. In The Book of Signs, Dr. David Jeremiah offers answers to questions including: What

does the Bible tell us about the future? How much can we understand about biblical prophecy and its application in our lives? What signs and signals will precede the end of everything as we know it? Which of those signs and signals have already come to pass, which are we experiencing now, and which are still to come? An epic and authoritative guide to biblical prophecy, *The Book of Signs* is a must-have resource for Christians seeking to navigate the uncertainties of the present and embrace God's promises for the future with a renewed sense of hope and purpose.

The Last Hour Jan 19 2020 Avoiding sensationalism and date-speculating, respected Bible teacher Amir Tsarfati uses his unique perspective as an Israeli Christian to lead you through a fascinating modern-day description of God's plan for the end of the world. Grounded from start to finish in Scripture, the book reveals how the Rapture, the imminent rise of the Antichrist, and the tragic horrors of the Great Tribulation will play out in our world today. He also helps you understand the roles--and fates--of Russia, Iran, Syria, Turkey, the European Union, the United States of America, and Israel in the end

times, showing just how biblical prophecies are being fulfilled in our time. But above all, he offers hope that in the midst of chaos and horror, God is ultimately in control, and those who belong to him will be safe with him.

Understanding the End Times Oct 20 2022
Understanding the End Times was never intended to be a book describing world conditions to predict the closeness of the appearing of Jesus for His Church. Many books have come and gone written with the purpose of comparing world events to scriptures about end times and Jesus' return. However, this book was not; it was designed to provide a Bible understanding of God's plan for the ages by weaving together the prophecies of the Old and New Testaments. It was also designed to describe the situations and events that will exist on earth at the time of the culmination of all things. For these reasons this book should be timeless. This book will challenge you to open your heart to the Word of God and your eyes to what is happening in the world. The atmosphere is lining up like never before, spiritually, morally, politically, economically, in every way. Don't let your heart fail for fear of what is coming on

mankind and the world. Instead, look up in faith and anticipation. Your redemption is closer than ever!

Feb 18 2020 From the Middle Eastern politics of Donald Trump to the UK's 2016 EU Referendum, large numbers of Christians are making decisions based on the alleged "end-times" aspects of modern politics. Such apocalyptic views often operate beneath "the radar" of much Christian thought and expression. In this book, historian Martyn Whittock argues that while the New Testament does indeed teach the second coming of Christ, complications occur when Christians seek to confidently identify contemporary events as fulfilments of prophecy. Such believers are usually unaware that they stand in a long line of such well-intended but failed predictions. In this book, Whittock explores the history of end-times speculations over two thousand years, revealing how these often reflect the ideologies and outlooks of contemporary society in their application of Scripture. When Christians ignore such past mistakes, they are in danger of repeating them. Jesus, Whittock argues, taught a different way.
